

CONSOLIDATED LABORATORY SERVICES

Celebrating 20 Years of Service to NE Florida Physicians

Consolidated Laboratory Services is a local full-service laboratory dedicated to providing only the highest quality testing and responsiveness to your busy office. Unlike large national laboratories, our hospital-based practice promotes continuity of care, quality assurance, and ready access to pathologists and support staff. Let us show you why we are the laboratory of choice for NE Florida physicians.

Convenience

- One laboratory for all your testing needs. Unlike laboratories providing only pathology testing, Consolidated Laboratory Services performs histologic, cytologic and clinical analysis;
- 9 convenient Patient Service Centers located throughout Jacksonville, Beaches, Orange Park, St. Augustine, and Fernandina. Clean facilities staffed by highly trained, experienced, friendly phlebotomists;
- Appointments available at all Patient Service Centers - no wait time. Walk-ins always welcome, and average wait time without appointment is less than 15 minutes;
- Friendly and reliable courier service for routine/STAT specimen pick up, and supply delivery. Twice daily specimen pick up available when needed;
- Affiliations with most insurance companies including BCBS PPO/PPC, all TRICARE, Medicare, and AvMed. User-friendly insurance listings available to offices monthly;
- Courier, electronic, or internet-based report delivery tailored to your office needs.

Unparalleled Service

- Routine specimen results available within 24 hours in most cases. STAT results available within hours of specimen receipt;
- Immediate access to pathologists. Direct physician-to-physician communication encouraged. Pathologists' private phone numbers provided to physicians to facilitate case discussion, request reviews, or provide additional clinical information;
- Guaranteed same-day response to your call. Local Sales/Service Representatives available to assist with laboratory questions or special requests;
- Customized panels and reflex testing available, eliminating recollections and additional phone calls;
- Web-site available to access the most up-to-date test requirements, Technical Bulletins, insurance listings, and other information.

Clinical Expertise

- Most established and experienced pathology practice in Jacksonville. Our group of board-certified pathologists has over 75 years combined experience in delivering patient-oriented surgical pathology.
- Staff of five pathologists holding board certifications in Dermatopathology, Cytopathology, Anatomic Pathology, Clinical Pathology, and Transfusion Medicine;
- Laboratory accredited by the College of American Pathologists (CAP), Joint Commission of Accreditation of Health Care Organizations (JCAHO), American Association for Blood Banks, Agency for Health Care Administration (AHCA), and Clinical Laboratory Improvement Amendments (CLIA).
